12:00									
12:30									
13:00									
13:30	Plenary hall: Closure								

Innovation Lab

At the Exhibition Area, the Innovation Lab is not a traditional lecture room but a place for showcasing latest solutions through a technical presentation, new product launches and Q&A's with attendees. The Innovation Lab also serves as the stage for elevator pitches, industry sessions, start-ups and new innovators.

**artist impression, subject to change*

Confirmed plenary keynote lectures

- **Prof. Annelien Bredenoord**
Ethics of innovative technologies
- **Dr. Jason Ekert**
Novel 3R technologies in early drug discovery
- **Prof. Dr. Malcolm MacLeod**
Data quality in translational research
- **Dr. Russel Thomas**
Computational systems toxicology-real world evidence

**more will follow*
